

LINCOLN MKS
2013

Lincoln MKS greets you with an unexpected combination. It exudes the strength of its athletic shape, split down the front as if slicing the wind. At the same time, it glows with subtle confidence, reflected in the sparkle of tasteful chrome accents and LED taillamps.

Inside, it surrounds you with sophisticated refinement. The acoustically engineered cabin channels the pure sounds of 365 horsepower,¹ yet invites you to carry on the most important conference call. Talk hands-free, while gripping the corner so tightly you have to search to find a word to describe it.

SURPRISE. IT'S THE NEW LINCOLN MKS.

Tuxedo Black Metallic. Available equipment.

¹Available EcoBoost.®

LINCOLN MKS
2013

LINCOLN.COM

Should you judge a car by its cornering? Or its comfort?

Lincoln MKS is uniquely prepared for both.
Wherever you drive, it carves the corners with agility.
And helps isolate you from harsh surfaces for a smooth ride.

In spite of ups and downs, twists and turns,
it feels as if the car is specifically engineered for the exact stretch of pavement you're on.
It *is*. But every drive is different.

HOW CAN IT SEEM "JUST RIGHT" ON EVERY ROAD?

Silver Diamond Premium Coat Metallic. Available equipment.

LINCOLN MKS
2013 

LINCOLN.COM

The reason Lincoln MKS always seems to deliver peak performance: Its suspension continuously adapts. When the road changes, it changes.

Thanks to new Lincoln Drive Control technology that helps you sweep turns with exhilarating control, *and* pass smoothly over road imperfections.

You've never seen this on a Lincoln before.

YOU'VE NEVER FELT A LINCOLN LIKE THIS.

Traditional suspensions lock you in with "one size fits all." Not this one. This highly advanced, adaptive system uses a suite of sensors that constantly read the road and your driving input. In the blink of an eye, it adjusts the firmness and damping at all 4 wheels, independently. For each situation, it provides balance. Confidence is in your corner.

Continuously controlled damping

In tight maneuvers, when every slight move matters, the steering tightens up. In relaxed driving, it lightens up. Another surprising benefit of this infinitely adjustable steering system: In the past, you may have felt the need to "fight" the wheel when driving in a strong crosswind or on a heavily crowned road. Not with Lincoln MKS. It senses this adjustment and seamlessly applies assistance for you. Control is in your grip.

Electric power-assisted steering

V8 or V6?
Depends on how you define performance.
Do you measure it in cylinders – or in output?

Our answer is founded in a simple question:

HOW CAN WE GIVE YOU MORE, FROM LESS?

Silver Diamond Premium Coat Metallic. Available equipment.

LINCOLN MKS
2013

LINCOLN.COM

It's called EcoBoost.^{®1}

365 horses, amazing torque, excellent mpg.
Mission accomplished - with only 6 cylinders.

ACCENTUATE THE POSITIVE. ELIMINATE THE EXCESS.

This precisely designed engine puts out more power than most 6-cylinders could ever promise: a staggering 365 hp² with 350 lb.-ft. of torque and 25 mpg hwy.³ The secret? Two turbochargers and highly pressurized fuel injectors. To further enhance the driving experience from the inside out, EcoBoost models also include a new advanced technology that refines interior sound and, in sport mode, channels acoustic adrenaline to you in the form of tuned engine bliss.

3.5L EcoBoost V6 twin-turbocharged, direct-injection engine with active noise control

The new standard 3.7L V6 DOHC powerplant gives you 304 hp, 280 lb.-ft. of torque and 28 mpg hwy.⁴ with high peak horsepower, low-end torque and impressive fuel economy. Vents in the front grille automatically close at speed to help you slip through the air with less resistance and enhance fuel efficiency. Performance is an open-and-shut case.

3.7L Ti-VCT V6 engine with active grille shutters

Tuxedo Black Metallic. Available equipment.

¹Available feature. ²With premium fuel. ³EPA-estimated 17 city/25 hwy/20 combined mpg, EcoBoost AWD.

⁴EPA-estimated 19 city/28 hwy/22 combined mpg, FWD.

LINCOLN MKS
2013

LINCOLN.COM

Take a drive in the sunshine. The front seats, trimmed in rich Bridge of Weir™ leather, are perforated and cooled for your comfort. Venture into the chill of night. Heat emanates through the seats, both front and rear outboard! At the touch of a button, the heated steering wheel warms to take the edge off.¹ A standard Remote Start System turns it all on, even before you enter.

In any weather, you'll be at home in your seat with the dynamic range of THX® II with its strategically placed speakers,¹ and the active motion of multi-contour massaging seats,¹ designed to help keep the driver and passenger alert.

A WELL-CRAFTED INTERIOR WELCOMES EVERYONE. EVEN MOTHER NATURE.

Charcoal Black leather. Available equipment.

¹Available feature.

LINCOLN MKS
2013

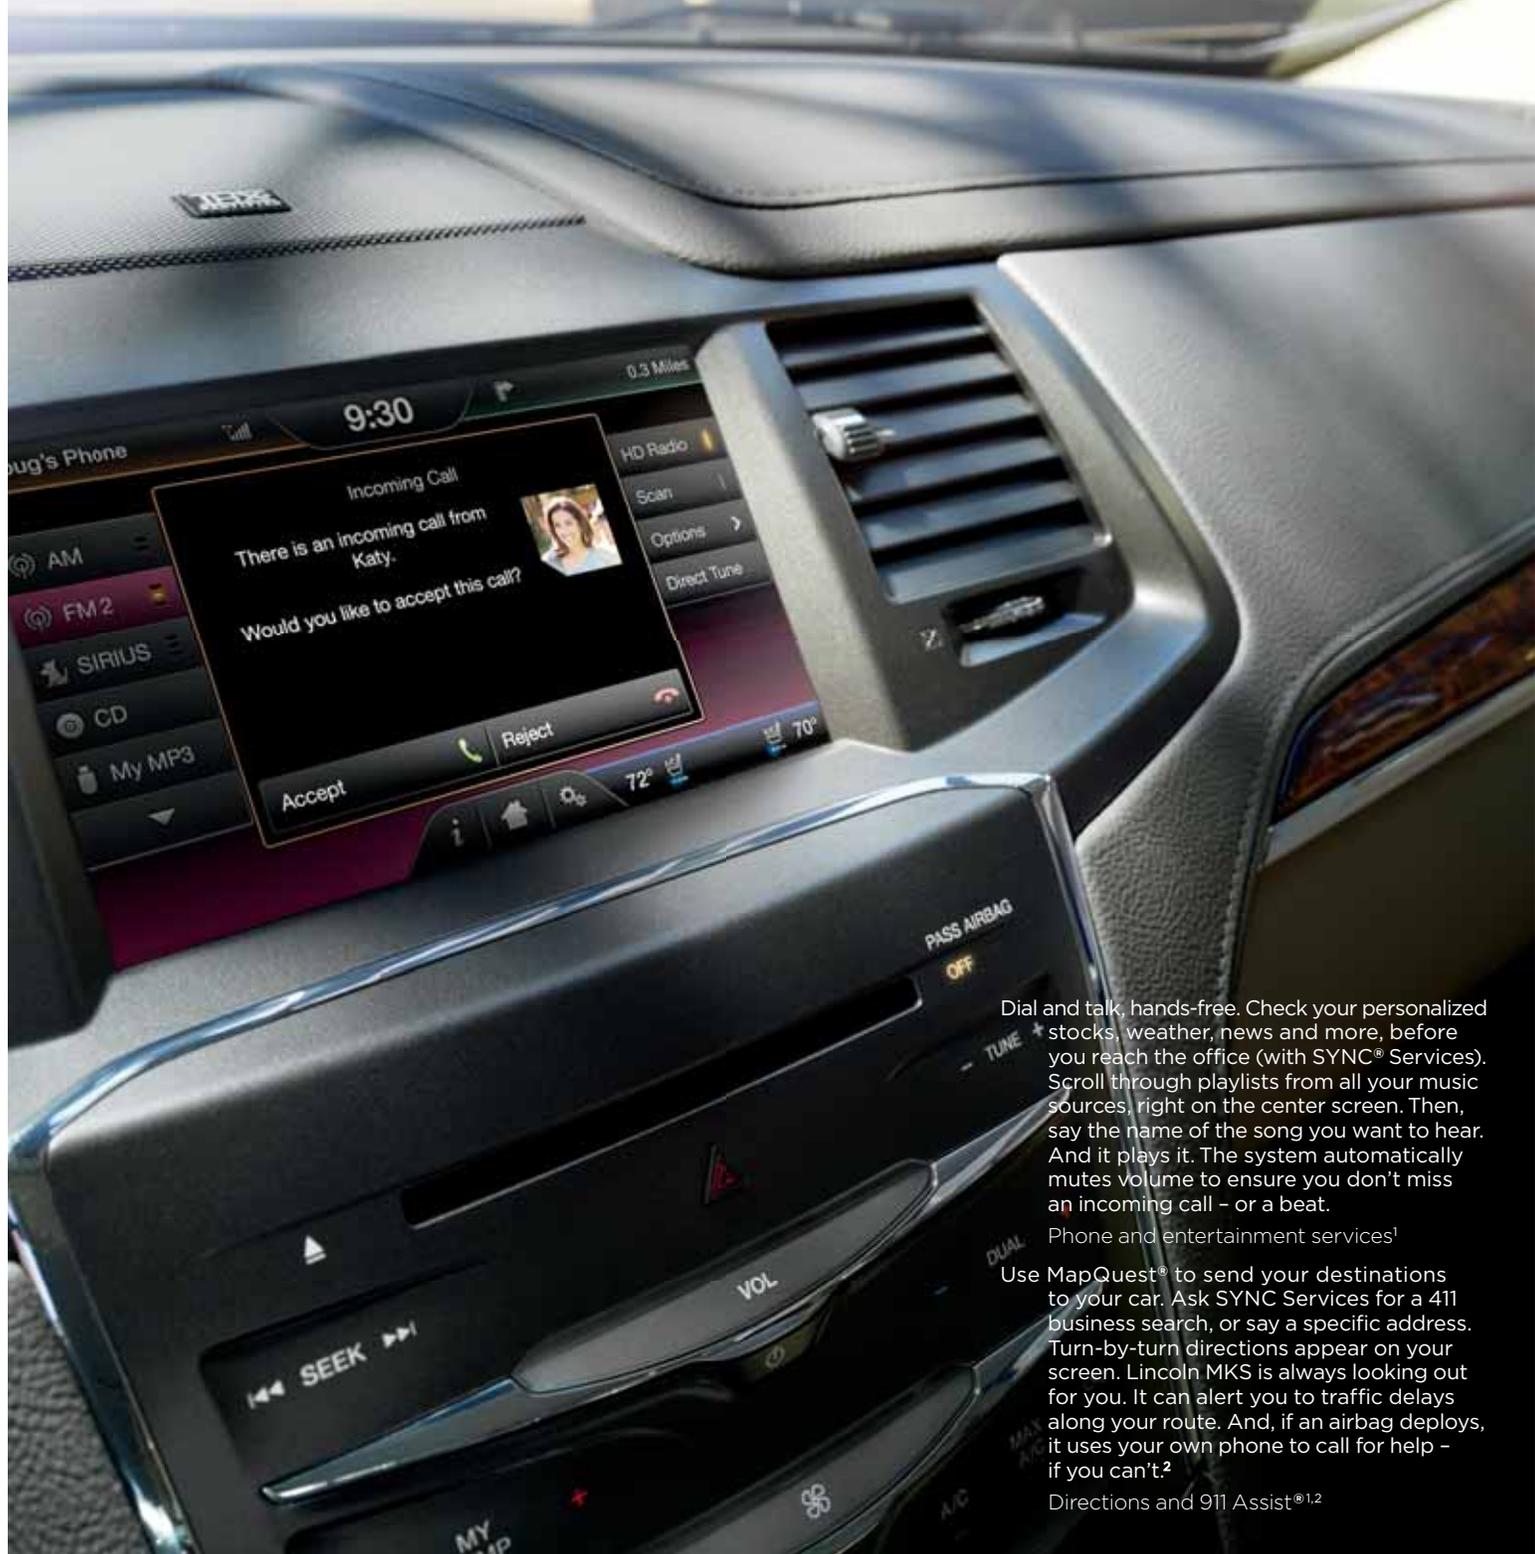

LINCOLN.COM

It's easy to connect in here. Conversation flows. Worries fade. No phone to find. No MP3 player to fumble. Just the ease and elegance of open communications controlled by your simple voice commands and touch.

This intuitive onboard system integrates your calling, contacts, music, information, even your personal choices, and displays it all on a vibrant, colorful 8" LCD MyLincoln Touch™ screen. So you can choose your course and focus on your driving. Just say the word.

IT'S NICE WHEN YOUR LIFE AND YOUR CAR MERGE SEAMLESSLY TOGETHER.

Dial and talk, hands-free. Check your personalized stocks, weather, news and more, before you reach the office (with SYNC® Services). Scroll through playlists from all your music sources, right on the center screen. Then, say the name of the song you want to hear. And it plays it. The system automatically mutes volume to ensure you don't miss an incoming call - or a beat.

Phone and entertainment services¹

Use MapQuest® to send your destinations to your car. Ask SYNC Services for a 411 business search, or say a specific address. Turn-by-turn directions appear on your screen. Lincoln MKS is always looking out for you. It can alert you to traffic delays along your route. And, if an airbag deploys, it uses your own phone to call for help - if you can't.²

Directions and 911 Assist^{®1,2}

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. SYNC Services is complimentary for 3 years for owners of new vehicles. Subscription fees apply after 3 years. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Not all features are compatible with all phones. ²The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.

Every day, with as much precision as is humanly possible,
you estimate, adjust, check, decide, correct.

And that's just to parallel park.

MAY WE TAKE SOME OF THE BURDEN OFF YOUR HANDS?

Arrive at your destination and let Lincoln MKS
help ease the worry of parallel parking.
As if you've said, "Valet, please," it chooses
an appropriate parking space, then steers
into the spot for you. It takes as little
as 24 seconds. No hands on the wheel.
No stress. No tip required.

Active park assist¹

¹Available feature.

LINCOLN MKS
2013

LINCOLN.COM

With the accuracy of ultrasonic waves and invisible radar,¹
Lincoln MKS can measure distances and monitor your surroundings.

Then use it to assist you.

ALL THAT'S REQUIRED OF YOU? YOUR ATTENTION.

Cruising on the highway, Lincoln MKS can change its speed to maintain a preset gap from the vehicle ahead. It adjusts to ebbs and flows once it's set, so you don't have to adjust it yourself. Enjoy the drive.

Adaptive cruise control¹

When the vehicle ahead slows suddenly, Lincoln MKS can detect it and flash an alert on your windshield to get your attention. It also precharges the brakes to provide full responsiveness when you brake. Save the moments that make your heart race for the best things in life.

Collision warning with brake support¹

Silver Diamond Premium Coat Metallic. Available equipment.

¹Available feature.

LINCOLN MKS
2013

LINCOLN.COM

Miniature cameras capture real-time images of things occurring in front of you and behind you.

Invisible waves monitor the traffic. They are constantly detecting your surroundings.

IS IT ON YOUR RADAR?
JUST IN CASE, WE'RE CHECKING OURS.

In a split second, you can lose your focus, drifting out of your lane. Lincoln MKS is there to assist. A tiny camera tracks the road ahead of you. If it detects you approaching the line, the steering wheel applies torque to direct you to correct your path. Should you continue to drift, Lincoln MKS shudders the steering wheel to help alert you to steer back to center. Re-focus.

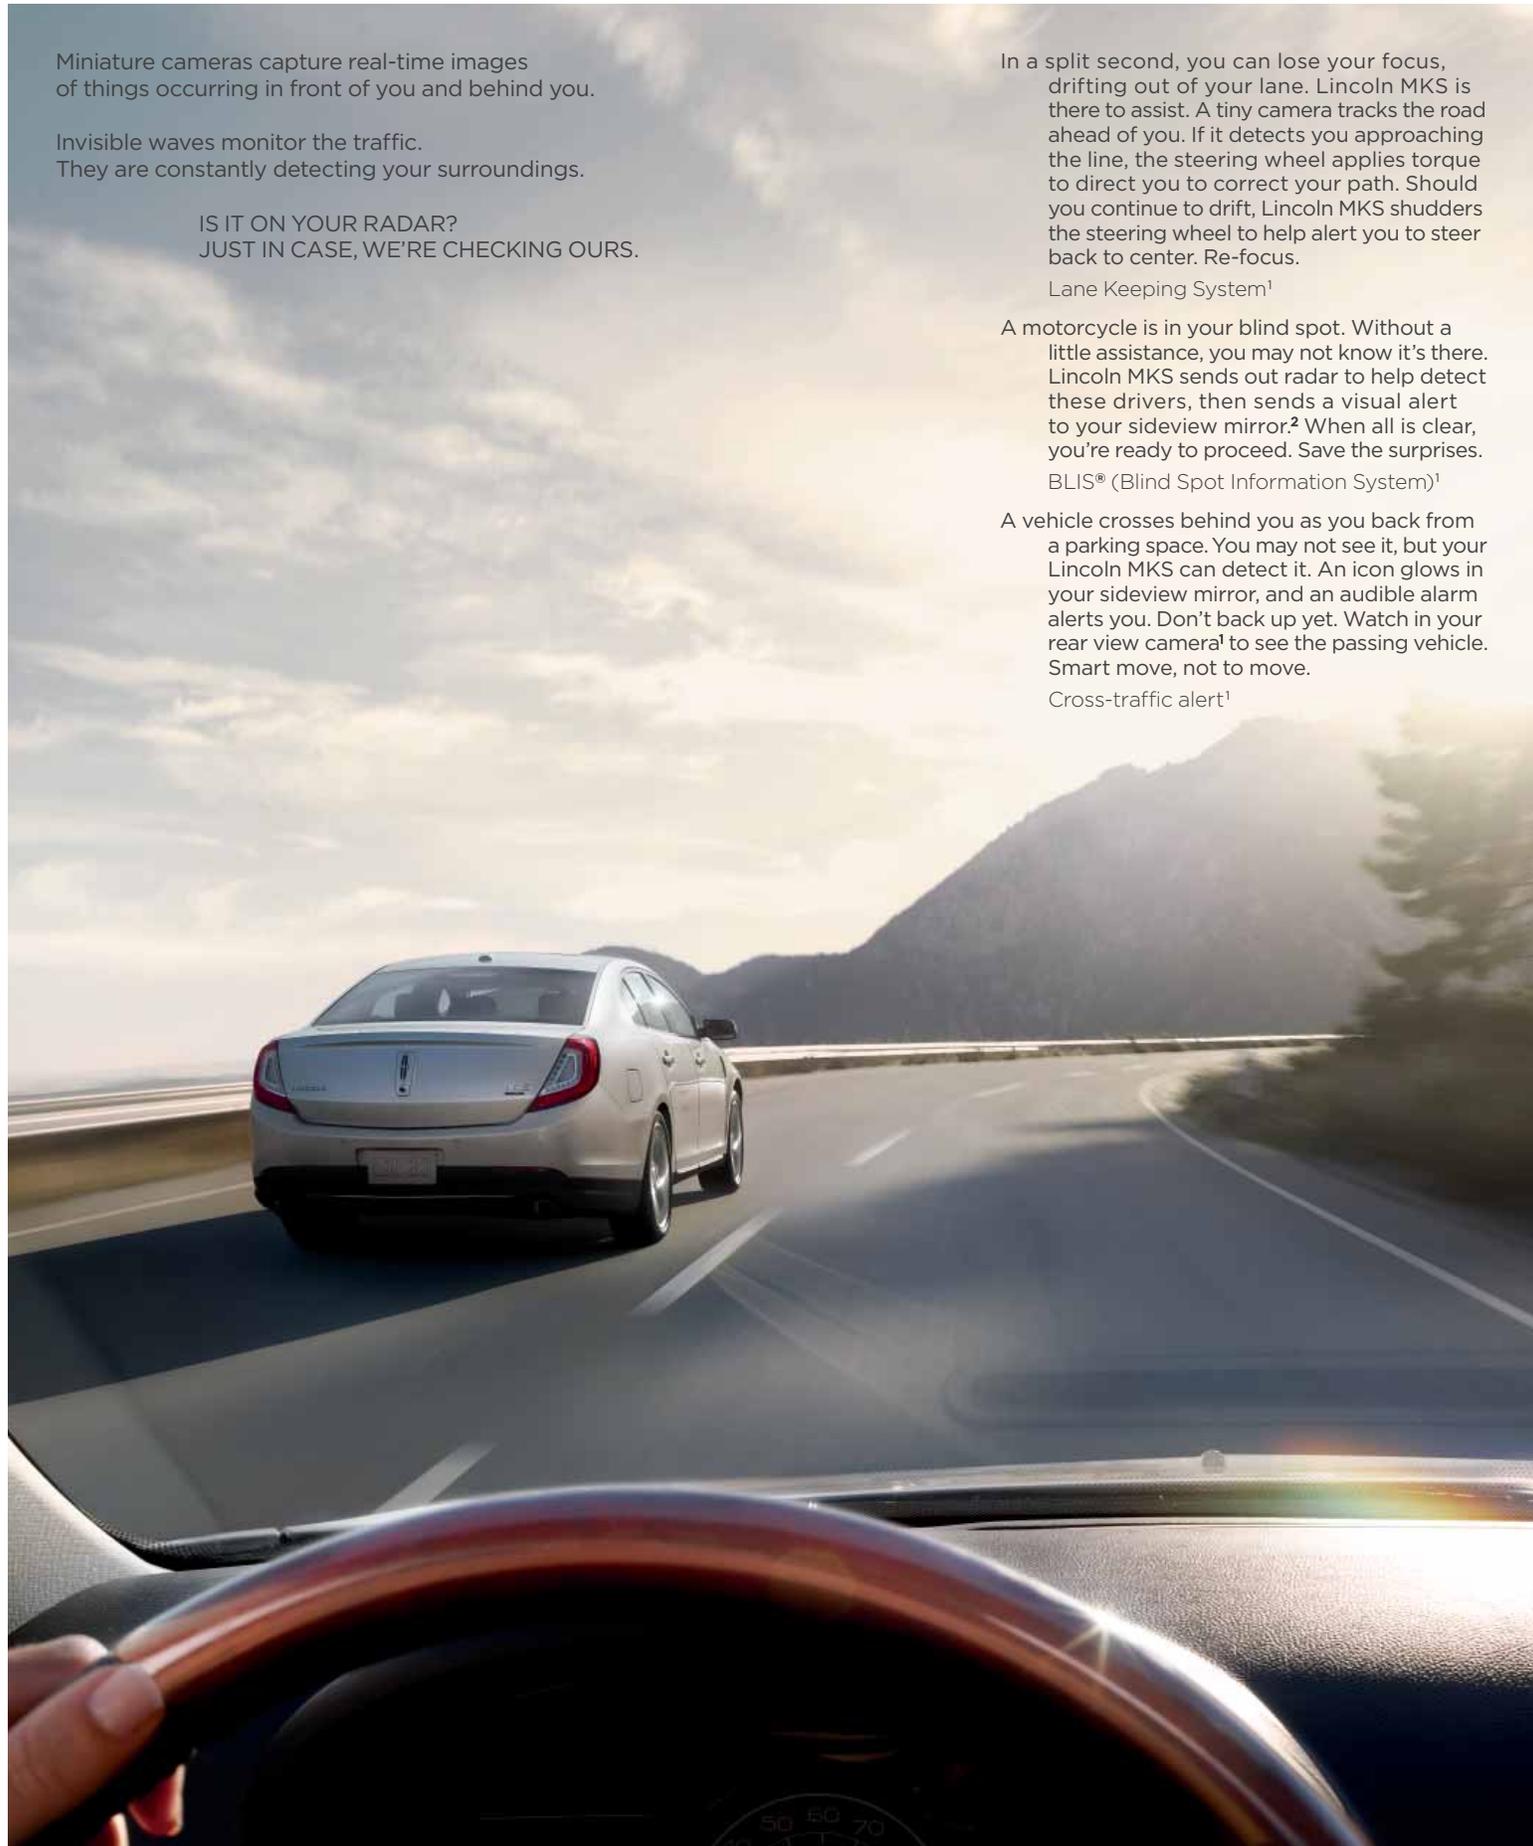

Lane Keeping System¹

A motorcycle is in your blind spot. Without a little assistance, you may not know it's there. Lincoln MKS sends out radar to help detect these drivers, then sends a visual alert to your sideview mirror.² When all is clear, you're ready to proceed. Save the surprises.

BLIS[®] (Blind Spot Information System)¹

A vehicle crosses behind you as you back from a parking space. You may not see it, but your Lincoln MKS can detect it. An icon glows in your sideview mirror, and an audible alarm alerts you. Don't back up yet. Watch in your rear view camera¹ to see the passing vehicle. Smart move, not to move.

Cross-traffic alert¹

Silver Diamond Premium Coat Metallic. Available equipment.

¹Available feature.

²BLIS replaces standard integrated blind spot mirrors.

LINCOLN MKS
2013

LINCOLN.COM

Darkness, inclement weather and uncertain surfaces seem less challenging when you are emboldened by confidence. Lincoln MKS is backed by highly advanced systems that enlighten, enhance and enable you. Because the road should be your ally not your adversary.

LET NIGHT SHOW ITS DARKER SIDE.

Low visibility? Illuminate the next corner and ease night driving with headlamps that point in the direction you turn the wheel. Brighter and more intense than halogens, they automatically switch to high-beam intensity, then revert to low beams when they sense oncoming traffic. Clear and courteous.

Adaptive HID headlamps with auto high beams

Too fast, too sharp, too sudden? If you misjudge a highway ramp, this highly advanced system measures how quickly you're turning and, if needed, selectively applies the brakes at all 4 wheels and reduces engine torque to help you stay on your intended path. It's in addition to the standard assist of our stability control system. We're in your corner.

Curve Control and AdvanceTrac® electronic stability control¹

Low traction? Lincoln MKS is on high alert to help you navigate when the weather turns. This smart system responds to changing road conditions by transferring torque to the wheels with the best traction. Enduring confidence weathers the storm.

All-wheel drive²

Tuxedo Black Metallic. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.

LINCOLN MKS
2013

LINCOLN.COM

Enjoy a wide-open view and the freedom to follow the clouds.
The forward panel retracts fully for maximum ventilation.
Dual-panel moonroof¹

Listen to music, sports, comedy, talk, news, entertainment and more, coast-to-coast, without the hassle of commercials, CDs or playlists with a 6-month trial subscription. Live traffic information, weather, fuel prices, sports scores and movie times are continuously updated.

SiriusXM Satellite Radio and SiriusXM Traffic and Travel Link^{1,2}

Experience theater-quality sound and astounding clarity specifically designed and acoustically engineered for Lincoln MKS with 700 watts of power, a 14-channel amp, and 16 speakers including a subwoofer.

THX® II Certified Audio System¹

¹Available feature. ²Requires Navigation System.

Access your music, browse through photos and even watch video via 2 USB ports, an SD card reader and audio/video input jacks! Passengers can even surf the Internet by plugging in a Wi-Fi® card.

SYNC® with MyLincoln Touch™

Keep the interior cool by filtering out up to 70% of hot, penetrating rays. It operates with one-touch up/down and automatically retracts when the car is in Reverse.

Power rear sunshade²

Simply touch the invisible keypad to unlock the doors with the key tucked away in your pocket. Lincoln MKS even starts with the push of a button, from the driver's seat. Just buckle up and press the brake pedal.

Intelligent Access with push-button start

Get attention when you need it most. If any one of the 6 airbags deploys or a safety belt pretensioner is activated, Lincoln MKS unlocks the doors, and flashes the hazard lights and sounds the horn to alert passersby.

SOS Post-Crash Alert System™³

Accommodate and organize everything from groceries to luggage inside generous space. It's clear of obstructions and low at the loading surface so you can get items in and out with ease.

Wide-access trunk

¹Some features are only available when the vehicle is in Park. ²Available feature. ³SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

STANDARD FEATURES: Equipment Group 100A

ENGINE

- New 3.7L Ti-VCT 24-valve aluminum V6
304 hp @ 6,500 rpm/279 lb.-ft. of torque @ 4,000 rpm
10.3:1 compression ratio
- Battery Management System
- Stainless steel dual exhaust system with chrome tips
- 2013 EPA-estimated fuel economy
FWD 19 city/28 hwy/22 combined mpg (19.0-gal. capacity)
AWD 18 city/26 hwy/21 combined mpg (19.0-gal. capacity)

DRIVETRAIN

- 6-speed SelectShift Automatic® transmission with paddle activation
- Front-wheel drive (FWD)
- Torque Vectoring Control

WHEELS | TIRES

- 19" premium painted aluminum wheels
- P255/45R19LRR all-season tires

BRAKES

- Anti-Lock Brake System (ABS)
- Brake assist
- Electronic brakeforce distribution (EBD)
- Power 4-wheel disc brakes with ventilated rotors

SUSPENSION | STEERING

- Lincoln Drive Control featuring continuously controlled damping (CCD) and electric power-assisted steering (EPAS)
- Front and rear stabilizer bars

EXTERIOR DESIGN

- Active grille shutters¹
- Adaptive HID headlamps with auto high beams
- Chrome inserts on door handles
- Easy Fuel® capless fuel filler
- Fog lamps with chrome surround
- Forward and Reverse Sensing Systems
- Light-emitting diode (LED) taillamps
- Lincoln split-wing grille
- Power, heated, body-color sideview mirrors with integrated blind spot mirrors, security approach lamps, memory and auto-dimming driver's side
- Rain-sensing windshield wipers
- Solar-tinted laminated glass

INTERIOR DESIGN + CONVENIENCES

- 5-passenger seating
- 12-volt powerpoints (3)
- 12-way power driver and front-passenger seats with power lumbar and driver's side memory feature
- Accessory delay for power features
- Ambient lighting
- Bridge of Weir™ leather-trimmed seating
- Dual-zone electronic automatic temperature control
- Front center floor console with armrest, storage and 2 cupholders
- Front-row acoustic glass
- Genuine wood accents on the instrument panel in brown swirl walnut or Prussian burl
- Heated and cooled driver and front-passenger seats
- Illuminated Entry System with theater-dimming feature

INTERIOR DESIGN + CONVENIENCES (continued)

- Leather-wrapped shift knob with chrome surround
- Leather-wrapped steering wheel with genuine wood accent in brown swirl walnut or Prussian burl
- Map pockets on front seat backs
- Power-tilt/-telescoping steering column with memory
- Rear-seat center armrest with pass-through and 2 cupholders

INSTRUMENTATION | DRIVER CONTROLS

- Auto-dimming rearview mirror with compass and microphone
- Intelligent Access with push-button start (2 key fob transmitters)
- SYNC® with MyLincoln Touch™ voice-activated, in-vehicle connectivity system with 2 configurable 4.2" color LCD screens in gauge cluster; 8" LCD touch screen in center stack; and media hub with 2 USB ports, SD card reader and audio/video input jacks
- Power windows with global open and one-touch-up/-down for driver and front passenger
- Remote Start System
- Steering wheel-mounted controls for cruise, audio and MyLincoln Touch
- Universal garage door opener
- White LED-backlit instrument cluster with speedometer, tachometer, fuel level gauge, coolant temperature gauge and message center

LINCOLN AUTOMOTIVE FINANCIAL SERVICES Choose the vehicle you want. Whether you decide to lease or finance, you'll find the choices that are right for you. Ask your Lincoln Dealer for details.

INSURANCE SERVICES Get Lincoln quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-866-329-4367 for a no-obligation quote.

LINCOLN EXTENDED SERVICE PLAN For a purchase or lease, the Lincoln Extended Service Plan [ESP] gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Lincoln ESP, the only service contract backed exclusively by Lincoln and honored at all Lincoln dealerships.

GENUINE LINCOLN ACCESSORIES will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories [LLA] are warranted by the accessory manufacturer's warranty. LLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties.

ROADSIDE ASSISTANCE for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Dealer will provide complete details.

LINCOLN COMPLIMENTARY MAINTENANCE In addition to being one of the most technologically advanced and luxurious vehicles on the road, the new 2013 Lincoln MKS includes no-charge, 4-year/50,000-mile maintenance. Coverage consists of a maximum of 8 regularly scheduled maintenance services including an oil and filter change, tire rotation and multi-point inspection at each visit at no additional charge. See dealer for complete details.

LINCOLN WARRANTIES Additional peace of mind comes from a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable. See dealer for limited warranty details.
